

Staying Connected with Campus Services

It's awesome to receive notes of recognition for the Campus Services staff. You put your hearts into your work every day, and it shows! Be sure to recognize your coworkers' good deeds by sending an email to lisa.celone@dartmouth.edu. Also, check out ongoing events listed in the VOX Daily. On Feb. 4, the Wellness Office offers a free [webinar](#) on "Work-Life Balance in a Remote Environment", and tonight (Jan. 28 at 7:30) there's a Zoom conversation with [Social Justice Award Nominees](#).

Welcoming Students

The Campus Services team is helping to create outdoor activities for students returning for winter term.

On the Green: Just out of their initial quarantine, students are already enjoying the skating rinks built by our Grounds & Labor shop. (See the terrific story and photos [here](#).) This week, Campus Services employees added fire pits with Adirondack chairs, lights for night skating, and heaters for students to mingle when they're not on the rink. All students and employees who complete the TSA screening are welcome to join in the fun. Thanks to our electricians for changing the holiday tree lights to a beautiful yellow string which will continue to bring cheer during the winter months.

At the Country Club: With the DOC House under renovation, Outdoor Programs has moved its winter operations to the former Hanover Country Club (HCC) for students to borrow cross country (xc) ski equipment, snowshoes, and sleds for outdoor adventures on the golf course. Our team added heaters, fire pits, and Adirondack chairs behind the HCC for people to enjoy the scene, and Outdoor Programs is offering students free xc ski lessons and winter naturalist classes.

At '53 Commons: The Dartmouth Dining team went over-the-top to welcome students with a post-quarantine, in-person celebration. Director Jon Plodzick reported, "the menu included prime rib, lobster and shrimp scampi, butternut squash risotto, salmon, flat bread pizzas, gourmet desserts, and fresh fruit bar with hot fudge. We even had non-alcohol champagne toast glasses at the celebration bar."

Staff Recognition

CONGRATULATIONS to **Robin Guay**, Work Process Manager, for celebrating her 40-year anniversary of working at Dartmouth! Be sure to send her an [email](#) note of congratulations.

"The Rink on the Green looks great. A sincere "Thank You" to all of your staff who have been involved with this project. This is yet another project (one of many over the past year...) that would not have been possible without the support of Campus Services. The dedication and professionalism of your staff is commendable. Job well done to all involved."
from Randy Brown, C&E Events Coordinator

Congratulations to **Caitlyn Hauke**, EHS Biosafety Officer, for being recognized by the Union Leader for her accomplishments as one of the forty under forty. Take a few moments to read the [story](#).

A grateful Dartmouth parent sent along this gift of chocolates to the **Dartmouth Dining staff** with a note:

"Thank you so much for all you do for the students! Including our D'23 son who's there. You all are simply incredible! So appreciate you! From Rick and Lisa Whitmer and Family."
