

# Staying Connected with Campus Services

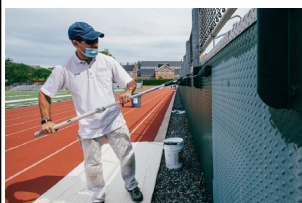

What a year this has been! As the academic and fiscal year comes to a close, take a moment to note all we've accomplished this year. Be proud of our resilience, our ability to adapt and improvise on a moment's notice, our creativity and incredible teamwork. We have served the students and the College well. The Campus Services leadership team extends their sincere thanks for your outstanding contributions.

## End of Year SUCCESS!

In the midst of Commencement preparations, Randy Brown wrote, "Things are really starting to take shape down at Memorial Field. I can't say enough about the work all of the crews are doing to make this happen. Enjoy this day..." Indeed!

What a joyous day Commencement was for the students and their guests and for all Dartmouth constituents. The Campus Services team really hit it out of the park!

Painter Brad Sanville at Memorial Field

From residential housing to the beautiful grounds, from dining to painting, from electronics work to labor set up, and everything in between... we showed Dartmouth College at its finest, in

celebration of Commencement and in recognition of the tremendous work done to keep the College running smoothly and safely this entire academic year. Thank you, thank you to all Campus Services employees!

## STAFF KUDOS

*"I want to share how impressed I am with the custodians (Cam Blossom and Sie Soukone) who have been keeping things afloat and looking good while many of us have been working from home. As I have been transitioning back to working in the office a few days per week, several custodians have been kind enough to let me into the office suite when I've forgotten my ID in my office on the 1st floor of Carson. Whoever cleaned the carpets recently did a WONDERFUL job (and did it so quietly I didn't even know he was there). And lastly, the bathrooms are cleaner than I've ever seen them. Please pass along my thanks and have a fantastic summer!"*

Lorrie Bosse  
Office Manager, Student Accessibility Services

## Miscellaneous News

### Use of "Other Lost Time"

Admin HR Services reminds hourly-paid employees that Other Lost Time is ending effective June 19th, with the exception of the 2 hours employees can use to get a vaccine, and for use the day following in the event they are ill.

### Year-end Bonus

The one-time special payment of \$1,000 before taxes, being given to all regular, non-union employees who earn up to \$150,000, will be incorporated into the June 25 paycheck for hourly-paid employees and the July 1 paycheck for monthly-paid employees. This payment expresses the gratitude of Dartmouth's senior leadership for meeting the challenges of this past year.

### Article on the History of Dartmouth's Trees

For those who missed it, the Commencement issue of The Dartmouth includes an article entitled, "Our leafy neighbors: quintessential Dartmouth trees and their stories." It features interesting conversations with arborist Brian Beaty, Biology professor Matt Ayres, and others. Search for the article at [thedartmouth.com/article/](http://thedartmouth.com/article/).

### New Radio System Goes Live July 17

IT Services and FO&M are excited to soon launch the new Motorola radio system which will support campus safety, emergency operations, and daily campus operations. Led by Tom Mitchell, the implementation team has completed installation of the new antennas and radio repeaters, and will soon focus on training and rollout. What a positive change this system will bring!

Thanks to Skiway Director Mark Adamczyk for sharing this photo of lupines in full bloom on the Skiway hillside. It's a beautiful scene and a wonderful place to walk for those who want to visit.
