

# Staying Connected with Campus Services

The Campus Services leadership team is excited to see you at one of four division-wide Town Hall meetings which are tentatively scheduled during the weeks of May 9 and 16. Once dates and meeting locations have been finalized, we'll notify you via email and through your supervisors. Thanks for all you do!

## Excellence Recognized

**CONGRATULATIONS** to the Custodial Services team of Caroline Eastman, Kim Baker Farr, John Cardi, and Edmond Cadieux Jr. who are being recognized as [Unsung Heros](#) as part of this year's Lone Pine Excellence Awards!

The team was nominated by a customer who felt their work exemplified the criteria for this award:

- Performs at a high level and goes above and beyond without fanfare
- Maintains a positive approach to their work and has a meaningful impact on colleagues and/or students
- Embodies reliability, perseverance, and integrity
- Is willing to fill in when and wherever needed to help their team/colleagues and Dartmouth

Given the challenging work of everyone who persevered with on-campus assignments during COVID, it's particularly nice for this custodial team to receive this award and be publicly recognized at an awards ceremony next week.

Please reach out to Caroline, Kim, John and Edmond to congratulate them on a job well done!

## Staff Kudos

This note was sent to Real Estate Director Dan Justynski.

*"I live in Sachem with my husband, he is a MALS student and I work at the Hop but our time here is ending because we are moving out next month to NYC.*

*I wanted to tell you that Melissa [Jewell, the Sachem Village residential property manager] has been an incredible help since we got here in 2020. She always responds to our emails fast and solves all our problems in a matter of days. I was delighted every time I have a question or concern or problem. She was always great, fast and really nice.*

*I wanted to tell you this because I think is important to say something when someone is doing an awesome job and not only when there are complaints. With so many people moving in and out I wanted to accentuate her great job."*

Sincerely,  
Laura Plasencia
