

Staying Connected with Campus Services

We asked Deo Mwano, our DEI consultant, to develop a new logo that incorporates the culture of caring symbol (left) that we present in our weekly newsletter with the 7 Principles that define our division's desire culture. We hope you like this new logo that we'll showcase around the division.

Question:
Do I have to pay taxes on a gift card received from Campus Services?

Answer:
Only if it is \$50 or more.

Monica Godfrey from DPMS had a great idea to share tidbits of interesting or helpful information in a "Did you Know?" section of our newsletter. This first tidbit confirms there are no tax implications on the gift cards distributed at our raffles. Good to know!

Watch the DEI Town Hall

Thanks to all who joined the Campus Services leadership team at a recent DEI Town Hall meeting. For those who were unable to attend, the May 19 Town Hall can be watched at the following YouTube link: https://www.youtube.com/watch?v=_Al-NpLJSEw

FO&M Personnel Changes

Facilities Operations & Management is going through change with this week's departure of Sandra Sowle, Custodial Services Manager, and Chad Loomis, the Director of Operations. While recruitment will begin shortly for a new Custodial Services Manager, the Director of Operations position was eliminated. In his email announcement to FO&M staff and key facility contacts on campus, Frank Roberts, the AVP of FO&M, said that an interim plan to manage these areas will be announced shortly. Meanwhile, the employees who reported directly to Sandra and Chad will report to Frank.

Join a DEI Committee

Participation by a variety of employees is key to making our Diversity, Equity, and Inclusion (DEI) Initiative a success. A great way to share your ideas is to join the Culture of Caring Committee or the newly forming Communications Committee. If you're interested in joining or would like to learn more about these committees, please send an email to Campus.Services.DEI@dartmouth.edu. We look forward to hearing from you!

Staff Kudos

To Paralegal/Legal and Administrative Assistant Melissa Maxwell, Lisa Celone wrote, "Before time gets away from us, I want to thank you for scheduling and providing critical support for our Campus Services DEI initiative. There are a lot of variables to consider when scheduling multiple DEI events and you've managed the work with patience, a positive attitude, and attention to detail. In addition to scheduling events, you've helped with the DEI surveys, drafted posters, and kept us all well-informed. Your work is exemplary, and I appreciate all you do to support this division-wide priority. You are a joy to work with!"

Athletics needs to give a shout out to [Master Fire Safety Technician] Bruce Plummer for his help on Saturday with the baseball scoreboard. He came in for a few hours and did everything he could to help us out which we appreciate greatly. Thank you.
