

# Staying Connected with Campus Services

These beautiful summer days go by quickly. We hope you can enjoy some special time with family and friends. Thanks for helping each other out so employees can take vacation time and also keep Dartmouth's operations running smoothly. Campus Services is the BEST!

## Check Out Fern Café

Dartmouth Dining has done it again!

According to Deb Scanlon, Dining's senior manager for operational excellence, "We opened [The Fern Coffee and Tea Bar at the new Irving Institute for Energy & Society] for a few weeks in the summer to see if our guests would frequent our venue, and they have! They love the unique sustainable café, serving smoothies, bubble tea, and offering local King Arthur pastries and sandwiches!!"

The Fern opened for a trial period that was originally expected to last until July 14. With such great success, the Cafe will now remain open Monday-Thursday, from 10 a.m. to 4 p.m. through the summer!

Congratulations to DDS for creatively and successfully meeting customers' needs.

## Annual Work Order Statistics

Thanks to Robin Guay for compiling the comparative listing of Work Orders (WO's) completed over the past several years. It's interesting to note that, in general, the number of WO's decrease as the number of Preventative Maintenance Work Orders (PM's) increase.

	WO's	PM's	TOTAL
2021/2022	23,684	17,027	40,711
2020/2021	17,840	17,592	35,432
2019/2020	19,502	15,905	35,407
2018/2019	26,858	16,614	43,472
2017/2018	26,249	14,265	40,514

Next week, we'll look at the number of work orders by crew. It was a busy year. Great job, everyone!
