

Staying Connected with Campus Services

Thanks to everyone who is working over the break to keep our campus safe and warm, our roads clear, our projects on track, and our students fed.

Happy Holidays to All!

The Skiway Opens this Weekend!

It looks like Mother Nature is cooperating for opening weekend at the Dartmouth Skiway. What great timing for some fresh snow! Head up to Lyme to ski, snowboard, or enjoy watching the fun starting this Saturday. The lifts operate from 9am to 4pm daily. Thanks to all the Skiway employees who are working hard to make this season a success.

Check Out our New Website

As mentioned in yesterday's email from Josh Keniston and Nick Davis, our division's new [Culture and Employee Belonging](#) website is live!

The site provides details on our DEI accomplished thus far and describes next steps. It introduces you to Nick Davis and the DEI Council and asks readers about ways in which you feel as though you belong within Campus Services.

We want this website to be interactive and we'll let you know when new questions or suggestions for input are posted.

Take time to check out the new website and let us know what you think.

Take Care of Your Health

With COVID-19, the flu, and RSV increasing in VT and NH, please be proactive in taking steps to keep you and your family healthy. The basic practices of frequently washing your hands, distancing yourself from others and wearing masks while indoors continue to be a good defense against these contagious diseases. And, don't the following opportunities to vaccinate:

- Flu vaccines are free at Dick's House Pharmacy on campus. During the inter-session Monday - Friday from 9am-4pm (closed from 12:30-1pm) and after Jan. 3 from Monday - Friday from 9am - 5pm (closed 12:30-1pm).
- COVID-19 boosters are free on Jan. 4 and 9 from 6am - 8pm (closed 12-1pm and 5-6pm) in the Paganucci Lounge of '53 Commons. Please [schedule an appointment](#) as walk-in appointments are limited.

A Good Time Was Had by All

By all accounts, the recent holiday parties were a tremendous success! It was a joy to be together.

Thanks to the Culture of Caring Committee for planning the events and to our senior leadership team for handing out lasagnas and hams. May this generosity of spirit continue for you and your family throughout the holidays.

The Hanover Inn bakers have done it again! The theme of this year's gingerbread extravaganza is from the Christmas movie, "Elf". Stop by the Hanover Inn to see this delicious display. It's a feast for the eyes and full of holiday cheer!

Thanks to David Knox for sending in this cool photo of Tree Worker Nathan Moore working from the bucket of this spider lift. What an interesting piece of equipment!
