# Staying Connected with Campus Services

## Employee Appreciation Town Hall

Our senior leadership team wants to make sure the **March 7 Town Hall meeting provides information YOU want to hear.** Do you want to know about the organization? The various services we provide? The status of our DEI initiative? What construction will be underway this summer? Please send to this email account topics for discussion or questions to be answered by replying to: [Admin.HR.Services@dartmouth.edu](mailto:Admin.HR.Services@dartmouth.edu).

The meeting kicks off with an ice-cream social, followed by a Town Hall presentation with time for questions and answers. Cool swag will be handed out to attendees, and Deo Mwano will join us to share summarized results of the recent 2nd annual DEI survey.

Two meeting times are offered to accommodate our various shifts, so please inform your supervisor about which time works best for your schedule.

**Date:** March 7  
**Times:** 2-3:30 p.m. and 10-11:30 p.m.  
**Where:** Cook Auditorium at the end of Tuck Mall

We look forward to seeing you there!

Check out the writings by Harriot Wilson, a woman from Milford, NH who was the first known African American person in North America to be published. ([harrietwilsonproject.net/](http://harrietwilsonproject.net/))

Attend a talk entitled, "[Blooming Where We Are Planted: Islam and the Flourishing of Black Life in the Americas](#)" by PhD candidate Fatima Siwagu. Lunch will be provided. Feb. 18 at 1 p.m. in the Shabazz Mural room.

## Staff Kudos

The following note and a follow-up lunch was sent from Mark Winkler '79 to DPMS employees. Mark's compliments are particularly appreciated as he was the class newsletter president for several years and former editor for Martha Stewart Living and Reader's Digest. He really understands DPMS's business.

*"I just received the FedEx delivered printed copies of our Class of 1979 February 2023 newsletter. You guys are AMAZING!!!*

*I love what you did with this issue -- both in the timeliness and in the quality of your printing (as well as the outstanding economics and value that you offer). The color is truly bright and photographs are eye-sparkle-clear -- exactly as they showed up in the pdf. WOW! Many sincere thanks for helping to make our newsletter delivery to be much more of an event for our classmates.*

*With full appreciation for your work and your craft, best of luck in your facility move. I shall look forward to having you back online for our May and June issues. Stay healthy!*

- Mark"
