Campus Services What's Happening Behind the Scenes...

Jon Plodzic, Director of Dining shares: Friday, May 26th, Dining retail managers held their annual student social to show their appreciation for working with us throughout the term. Chris Robbins and Kris Piquette ran the grill, Erin Clark coordinated the eats, and some 70+ students turning out. Way to go team!

Tim McNamara, Associate Director of FO&M, shares with us photo of Campus Arborist Scott Melendy and Tree Worker Nate Moore of the Grounds crew operating our new arbor lift (also known as a spider lift) to trim trees along the front of Dartmouth Row. The lift is equipped with tracks that allow it to access almost any site, and then the four "spider legs" lift the entire machine up and allow it to adjust for differences in terrain to provide a stable platform to access the tree crowns. It can reach heights of over 80 feet!

CELEBRATE

PRIDE MONTH

2023

On June 28, 1970, on the one year anniversary of the Stonewall Uprising, the first Pride marches were held in New York, Los Angeles and Chicago. Thousands of LGBT+ people gathered to commemorate Stonewall and demonstrate for equal rights. The events

of Stonewall and the liberation movements that followed were a direct result of prior decades of LGBT+ activism and organizing. In particular, Pride traditions were adapted from the "Reminder Day Pickets" held annually (1965-1969) on July 4 at Independence Hall in Philadelphia, Pennsylvania. *Meg Metcalf, Women's, Gender, & LGBTQ+ Studies Librarian, Researcher and Reference Services Division, Library of Congress. www.loc.gov*

Dear All,
Thank you very much for all the work that went into creating space for the traditional Navajo cleansing of the buildings.

The medicine man included everyone who works and studies here, our families/loved ones, as well as, future workers, students, and their families in his blessing/prayers throughout the ceremony.

On behalf of my family, the medicine man and his helpers, faculty, staff and students, "Axhéhee' nitsaago."

In Beauty,
Mae Drake Hueston'86 P'14 (she/her)
Assistant Director, Native and Indigenous Program

Just wanted to pass along the following.

One of my student workers was telling me how Brandon and the whole 53 was helpful with powwow set up. And they are very grateful!
