A huge thanks to Phil Guerrette for his efforts to maintain the building automation system networks. Phil’s experience with these systems allowed him to quickly identify and remove resources that were no longer in use.

System maintenance such as this has a positive impact on the performance of the system and network(s), improves system stability, and decreases energy usage and maintenance costs.

Thank you

Thank you to the FO&M crew and all who helped with set-up and running homecoming events the weekend of October 20th.

DEI IN YOUR CORNER

Please join us for a lunch and learn event during Transgender Awareness Week. We’ll explore topics related to the power of language, the significance of allyship, and how we can educate ourselves on transgender issues to promote diversity, equity, and inclusion at Dartmouth.

Transgender Awareness Week occurs from November 13 to November 19, leading up to the Transgender Day of Remembrance. This observance commemorates victims of transphobic violence and offers an opportunity to shed light on the importance of supporting transgender individuals, advocating for legal protections, and fostering social inclusion.

Watch for more information about the Trans Awareness Lunch and Learn on November 14. It’s a time for food, open dialogue, empathy, respect, and community while amplifying the voices and experiences of transgender people.

Last Week’s Brain Teaser

Forrest left home running. He ran a ways and then turned left, ran the same distance and turned left again, ran the same distance and turned left again. When he got home, there were two masked men.

Who were they? The Catcher and the Umpire.
