New Manager of Communications

Please welcome
Stephanie Kaufman
New CS Manager
of Communications

Most recently, Stephanie managed Human Resources communications for Vertex Pharmaceuticals after working in various areas of communications.

Stephanie lives in Norwich, VT with her husband and Cairn Terrier.

Outside of work, Stephanie keeps busy traveling, cooking, knitting, gardening, snowshoeing, and hiking.

Please reach out to Stephanie with newsletter entries at Stephanie.Z.Kaufman@Dartmouth.edu

HAPPY
Mother's
DAY

Don't Forget Mom!

Send Her a Card from '53 Commons
Monday, May 8
11:30 am - 1:30 pm

DARTMOUTH

Mother's Day Cards

This past week students were provided cards, stamps and mailing services at '53 Commons, so all could send love to their moms for Mother's Day.

Wielding the Force, Dining Provides an Adventure for All

Dining held an epic culinary journey to a galaxy far, far away last Saturday, for their May the Fourth celebration. The dining hall was transformed into a Star Wars inspired banquet!

With spatulas in hand, our chefs channeled the power of the Jedi to concoct a celestial array of intergalactic delicacies. Staff and students transformed into heroes and villains joining forces for a fun and tasty event for all.

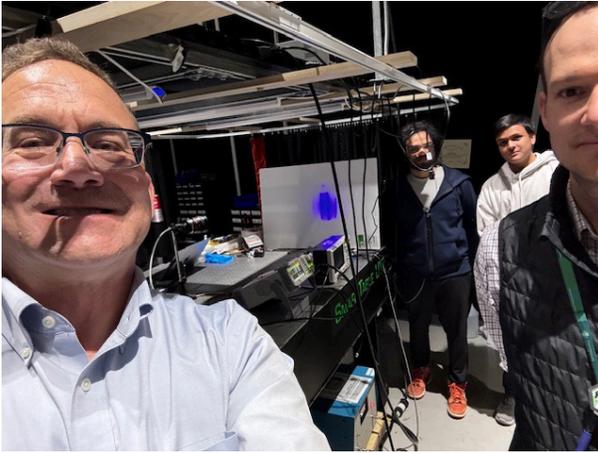

Chef Courtney Bryan and Late Night Supervisor, Ben Gaherty, transformed into Dark Side villains!

Job Shadowing: A Day in the Life of Dartmouth's Safety Hero, Matt Dunn

News from Dave Newlove

I had the pleasure of job shadowing Matt Dunn in Environmental Health and Safety (EHS). This photo shows us inspecting a lab where two graduate students were conducting a laser experiment. The laser is being refracted through water onto the white board in the back.

We inspected multiple labs on campus, and I got to put my recent EHS training to good use. We did chemical, radiological, x-ray, and laser inspections at labs throughout campus.

Matt Dunn is amazing to work with and in every lab we inspected the lab personnel were happy to see Matt and his “new assistant.” EHS’s work is so important for the college, keeping people safe in their labs. Matt is an unsung hero of Dartmouth College.

Culture and Employee Belonging in Your Corner

During these turbulent times, cultivating consideration becomes more important than ever. Our principle of the month – consideration – guides us to pause, reflect, and empathize with others, fostering a CS culture grounded in respect and understanding. Demonstrating consideration for one another can help all of us develop resilience, strengthen relationships, and navigate challenges more effectively.

Principle of the Month: Consideration

For Leaders:

- Recognize employees’ heightened levels of stress and uncertainty
- Provide clear and transparent communications
- Offer support and resources for mental health and well-being
- Prioritize the health and safety of teams, balancing business needs with the physical and emotional needs of employees

For Employees:

- Recognize the pressures and challenges your co-workers may face
- Be patient and understanding in working with your team, offering support and assistance whenever you can
- Adapt to changing situations, respect boundaries and come together as a team

Wednesday, May 22
Goldstein Hall, Room 105
Occom Commons

Times:
12 pm to 1 pm
and
1:30 pm to 2:30 pm

Mental Health Awareness Month Lunch and Learn

Join us to explore practical strategies to enhance mental well-being. From understanding common challenges to learning effective coping techniques, this event will provide you with valuable knowledge and support. Please register in advance via the QR code below.

Please register in advance at this link or at the QR code.

RSVP HERE

This is an optional unpaid training session
Lunch will be provided for participants.

For more information contact Ymani.S.Hawkins@Dartmouth.edu

Has your team participated?

This month, the Culture and Employee Belonging (CEB) council wants to know,

"What's your biggest adventure?"

We suggest taking some time in your team meetings to discuss this question and share your stories. We believe this prompt will help strengthen connections among team members and make meetings more enjoyable.

Thanks for being part of our effort to build a positive workplace culture!

Best regards, CEB Committee
